

The Hong Kong Bio- & Eco-Energy Industry Association (HKBEE) 26/11/2011

Promotion of Objects

The Association shall be a non-profit-making body with the objects of promoting the scientific and educational interests of bio-energy and eco-energy in all applications and uses. The promotion of these objects include,

1. To conduct or promote the conduct of scientific and other research, to publish the useful results of such research, and to provide facilities for study, research and education;
2. To hold conferences, meetings and seminars and other events and to promote the reading of learned papers;
3. To develop and promulgate codes of best professional practice, to prescribe standards of education, training and experience in professions or activities related to the objects
4. To institute, establish and promote educational and training courses, scholarships grants, awards and prizes;
5. To consult, or co-operate with any authority, institutions, industries, organizations or other body within HKSAR Government and other areas;
6. To act as an authoritative body for the purpose of consultation in matters of public and professional interest concerning the science, practice and principles of bio-energy and eco-energy and allied subjects;

Future tasks of the HKBE:

- Awareness programmes for schools, universities and general publics
- Collaboration R&D with universities
- Technology transfer from overseas & commercialization
- Greening the Next Generation
- Liaise with government and industry on policies formulation
- Visits to local and overseas enterprises
- Promotion of CSR (Corporate Social Responsibility) in corporations

Project Collaboration with tertiary education institutions, NGOs and professional bodies:

- Development of the use of biodiesel in logistics vehicles of hospital (Yan Chai Hospital/ HK Automotive Association/ HKPC)
- Bio- and Eco- Energy Dissimulation & Public Awareness Programme (Universities/Secondary Schools/HKPC)

The Hong Kong Bio- and Eco- Energy Industry Association 香港生物及環保能源業協會

Room 3209-3214, 32/F., Sun Hung Kai Centre, 30 Harbour Road, Wanchai, Hong Kong.

香港灣仔港灣道30號新鴻基中心32樓3209-3214室 T (852) 2802 4288, Email: info.hkbee@gmail.com, F (852) 2827 7171

The Hong Kong
Bio- and Eco- Energy Industry Association
香港生物及環保能源業協會

- Biodiesel on ground services equipment in HK International Airport (HKAA/DAS, HAS, HAECOs' fleets /HKPC)
- Simulation the biodiesel production process and optimization with constraints on emissions (CityU/HKUST)
- Emissions measurement and research of diesel vehicles in Hong Kong and PRD (CityU/HKPolyU/HKU/VTC JCERT)
- Use biodiesel in CUHK in-campus vehicles (CUHK)

Core values of HKBEE and future strategic directions:

1. 企社責任 **Community**
2. 科研創新 **Creativity**
3. 能源政策 **Commitment**
4. 標準釐定 **Conformity**
5. 科技轉移 **Commercialization**
6. 官產學研 **Collaboration**

HKBEE has invited prominent leaders from different sectors of the industry and community both locally and overseas as Honorary Advisors and Honorary Vice Presidents (Overseas); these include LEGCO members of HKSAR, industrialists, professionals, academia as well as professionals.

The Executive Council consists of President (1), Senior Vice-Presidents (3), Vice-presidents (6), Hon Treasurer (1), Hon Secretary (1) as well as Councilors and Professional Sections' Chairpersons (18).

A preparatory meeting for the establishment of the Industry Association was convened on the 17th November 2011 at The Royal Garden Hotel. Proposals of Honorary Posts and Executive Council members were proposed and supported. A formal procedure of further endorsement of the proposals by the members will be done by circulation.

It was suggested in the pre-meeting by Honorary Advisors to set up two advisory committees for environmental policies enforcement and technology development overseeing the future needs of Hong Kong and the region.
